

# Durar Al Sharqiyah

Customs Clearance & Logistics Services

Your Strong  
Logistics Partner...

## Who Are We ?

Durar AlSharqiyah logistics found in 2010 as a local customs clearance office, during 2016 the office was converted to a Company under the name of “Durar Al-Sharqiyah for Logistics Service” with a wider vision to enhance our role as a professional logistics service provider in the eastern province of Saudi Arabia.

Our focus and objectives is to keep developing and improving our company standard according to our quality management commitment and compliance to Health and safety being a certified ISO company

Since the establishment of Durar Al Sharqiyah Logistics, we contributed in serving petrochemical and EPC companies in eastern province of Saudi Arabia with their logistics and project services

As a Logistics Service Provider, we strived to play a role in the logistics industry by offering several logistics solutions for different industries in Saudi Arabia with all protentional assets and equipment to fulfill customer demand

## CORE VALUES & BUSINESS PRINCIPLE

### MISSION

To meet our customers demands for a personal and professional service by offering innovative logistics solutions for global sea, air, and road transportation as well as certain specialist services.

### VISION

As a logistics service provider, our vision to be local and global reliable logistics service provider in logistics market, with long-term partners by constantly developing and enhancing more wider logistics quality service.

To achieve this vision and meet our goals, we proactively and constantly look for new partnership opportunities. Therefore, an important part of our vision is to attract and retain the best employees in the business.

### VALUES

**SAFETY** is part of our culture, a value considered with each decision made by management, administrators, foremen, and field employees.

**TRUST** is the basis for everything we do and the prerequisite for our success. We keep our promises. To all our employees and all stakeholders in Continental (such as customers, employees, investors, business partners, politicians and society). We are aware that trust is hard to gain and can be easily destroyed. That is why we prove at all times that the trust placed in us is worth it.

**QUALITY** We are deeply committed to providing the highest quality materials and service for every project. Through our close relationships with our suppliers and active participation with the union, we utilize the best insulation materials, ensure excellent training for our field employees, and get the job done right the first time

**COMMITTED** Deeply involved in building relationships – everything we do is with the long-term in mind. Our dedication to quality is the cornerstone of our success – we get every detail right
